1. APPROVAL OF MINUTES

11 January 1963 Meeting (CCPC-M-1/63)

Approved as written.

2. ATTENDANCE

25X1 [ ] asked members to submit names of those attending CCPC meetings to the Technical Secretary a day in advance of the meeting date so that clearances may be established.

25X1 3. [ ]

25X1 General Strong announced that the chairmen of GMAIC and CCPC had been directed to assemble a panel of experts to assess and make recommendations on the various proposals for retrofit of the [ ]  
[ ] The panel is expected to convene on 4 February, and, upon termination of its work, will present its findings orally at a joint CCPC-GMAIC meeting.

25X1 4. REPORT BY [ ] ON AFRICAN PROBLEM

25X1 [ ] distributed a memorandum entitled, "Progress Report No. 2, Study of Intelligence Collection in Africa," dated 25 January 1963, which should be identified as CCPC-D-3/63, 25 January 1963. Discussion of this paper revealed that present U. S. intelligence objectives on Africa have been assigned a relatively low priority and that it will be necessary to identify the most important intelligence needs before it will be possible to determine if collection assets are adequate or responsive.  
25X1 It was agreed that [ ] in cooperation with Mr. Snider and Mr.  
25X1 [ ] would approach the problem in three steps and in the time period shown:

First, determine the priority African objectives -- approximately three weeks

Second, appraise adequacy of assets to meet these objectives -- approximately three weeks

Third, prepare conclusions and recommendations -- approximately two weeks
